EDUCATION

- **B.Tech in Electronics & Communication Engineering-Banasthali Vidyapith, Jaipur, Rajasthan**
2024 – Present GRADE:-8.5CGPA
- **Senior Secondary (PCM)**
R.D. International School, New Delhi-
2023-2024 GRADE:-85%
- **Secondary Education**
Bal Bharati Public School, New Delhi
Till 2022 GRADE:-94.5%

TECHNICAL SKILLS

- **Programming & Scripting:**
Python, C, MATLAB, JavaScript, HTML, CSS
- **Libraries & Frameworks:**
Tkinter, Matplotlib, NumPy, Pandas, Streamlit
- **Tools & Platforms:**
Git, GitHub, Linux (Basic), Modbus TCP, MATLAB App Designer, MS Office
- **Core Domains:** SCADA Systems, Power Distribution, Signal Processing, Image Processing, Data Analysis, Front-End Web Development
- **Soft Skills:**
Problem Solving, Team Collaboration, Communication, Public Speaking, Event Management
- **Languages:**
English (Fluent), Hindi (Fluent), French (Intermediate)

PROJECTS

- **Mini SCADA Simulation System (Python, Tkinter, Matplotlib):** Built a real-time GUI for substation operations with Modbus data, breaker control, alarms, CSV logging, and SLD visualization.
- **EKG Signal Processing Tool (Python):** Developed preprocessing pipeline with filtering, R-peak detection, and visualization for clean ECG signal analysis.
- **Chest X-Ray Preprocessing & Analysis (Ongoing):** Designed medical imaging pipeline (CLAHE, denoising, segmentation) with CNN integration for classification.
- **Data Cleaning & Dashboard (Python, Streamlit):** Cleaned 9,800+ rows, engineered features, and built interactive dashboard delivering actionable business insights.

EXPERIENCE

- **SCADA Intern — BSES Rajdhani Power Ltd. (June 2025)**
 - Worked on SCADA, EMS, RTUs, relays, and communication protocols; gained exposure to substation automation and data acquisition.
 - Developed a Mini SCADA Simulation in Python with real-time monitoring, alarms, breaker control, Modbus simulation, and live plotting.
- **Open Source Contributor — GSSoC (July 2025 – Present)**
 - Contributed to GitHub repositories through bug fixes, feature requests, and documentation improvements.
 - Strengthened teamwork and version control workflows while collaborating with the open-source community.

CERTIFICATIONS

- **MATLAB Onramp** — MathWorks
- **Certificate in French (Distinction)** — BANASTHALI VIDYAPEETH
- **Certificate of Training in Content Creation, Curation and Marketing**-younity
